Announcements

New Years Eve with Bill W.

On behalf of the planning committee, I was asked to draft this brief announcement.

This year's new eve celebration that is held at St. Vincent is once again cancelled.

This is due in part to renovations being not completed on the dining hall at St. Vincent.

And lastly due to Covid-19 strains being a constant threat, there is no way to ensure anyone's personal safety. I too was looking forward to seeing everyone after a long period of.

Yet regrettably this is the way things are at this time.

Thank you from,

The New Year's Eve Planning Committee.

Due to district member non-participation, this is the second month the "Your Page" section is not included in the 23 Informer.

A friendly reminder: it is a great way to be of service and any AA based submissions can be sent to:

editor@aa-swpa-dist23.org

A Message from Our DCM

GRATITUDE SHOULD GO FORWARD

"Gratitude should go forward, rather than backward."

"In other words, if you carry the message to still others, you will be making the best possible repayment for the help given to you."

Page 29 As Bill Sees It

I know, as well as many others in A.A., that I have been given the gift of a sober and happy life, through my sponsor, my homegroup, and many of the people in this program. Please take the time to share with others all the joys that we have been given. Reach out, be kind, and show love and tolerance to all you meet along the road to a happy destiny. And remember, Have an Attitude of Gratitude!

Have a Happy and Blessed Thanksgiving!

*In Love and Service,
Marcia W., DCM*
