January DCM Report

As I have learned over the past year, I should keep my service work as part of my sobriety. As a trusted servant, I'm I doing what I should be doing? Did I read the service manual to give me insight into what I should be doing? If I am a GSR, do I attend the district monthly meeting and attend the quarterly Area meetings? Do I share with my homegroup what is going on at the district levels regularly? Do I bring info from my homegroup to the district. Am I present to vote on the issues? Do I lead by example?

If I have learned anything over the past year, I took the position, and the next right thing is to fulfill the

Your trusted servant
